

ST. RITA SCHOOL MARATHON 2024

CREDIT CARDS FOR PLEDGES

Marathon accepts online credit card donations!

<https://www.srswebster.org/>

All you have to do is send out an email or post on Facebook the link <https://www.srswebster.org/> to let people know that sponsoring your child is just a click away. Once on our school website, click the GIVING tab and process sponsor donations in the 'SRS Marathon' box (no need to log in).

To help your child in their online fundraising efforts, we've put together the following email text that they can use in emails to friends and family:

Dear (Insert Name),

Each year, my school holds the St. Rita School Marathon. Our 38th Annual Marathon this year is on Saturday, September 28th. This event is the major student-based fundraiser for our school, and it challenges students to walk laps on our school campus. As a (Insert Grade Number) grader, I have a goal to walk (INSERT #) laps around the course. To raise money, students ask friends and family to pledge an amount for each lap/mile or just pledge a flat amount. Last year, the students of St. Rita School raised over \$32,000 through Marathon...and we earned some pretty cool prizes while doing it. This year, I've set a goal for myself to raise (INSERT \$ GOAL) and I am hoping you can help me hit that mark.

Would you please sponsor me for the St. Rita School Marathon? To make it easier for out-of-town friends and family members to donate, my school has created an online donation website. All you have to do is click on the following link <https://www.srswebster.org/> and then click the GIVING tab. Sponsors can click the 'SRS Marathon' box. There is no need to log in.

IMPORTANT: Please be sure to fill in the line NAME OF STUDENT BEING SUPPORTED with (MY NAME) in the box provided. That is important because we earn prizes and they need to know to which student to credit the donation.

Thank you so much for your support,
(INSERT Name)
